

1: Lay out the following items:

2. Clean hands with hand gel to remove any trace of grease

3. Remove grease and dust with hand gel and a tissue.

4. Use a toilet roll or tea towel to stabilise your mug.

5. Carefully remove the backing of the transfer tape.

6. Place the non stick side on the table.

7. Place the vinyl 0.5 cm or more away from the rim of the cup. Use an old credit card or loyalty card to smooth the vinyl out

8. Remove the transfer carefully off the cup very carefully.

Repeat Steps 5 - 8 to complete your Mug
